"The Tire That's Built to Serve"

SEneca 5304

Trico Full Automatic

The Trico Universal type of Automatic cleaner has a means for varying the suction by the free admission of air to the con-

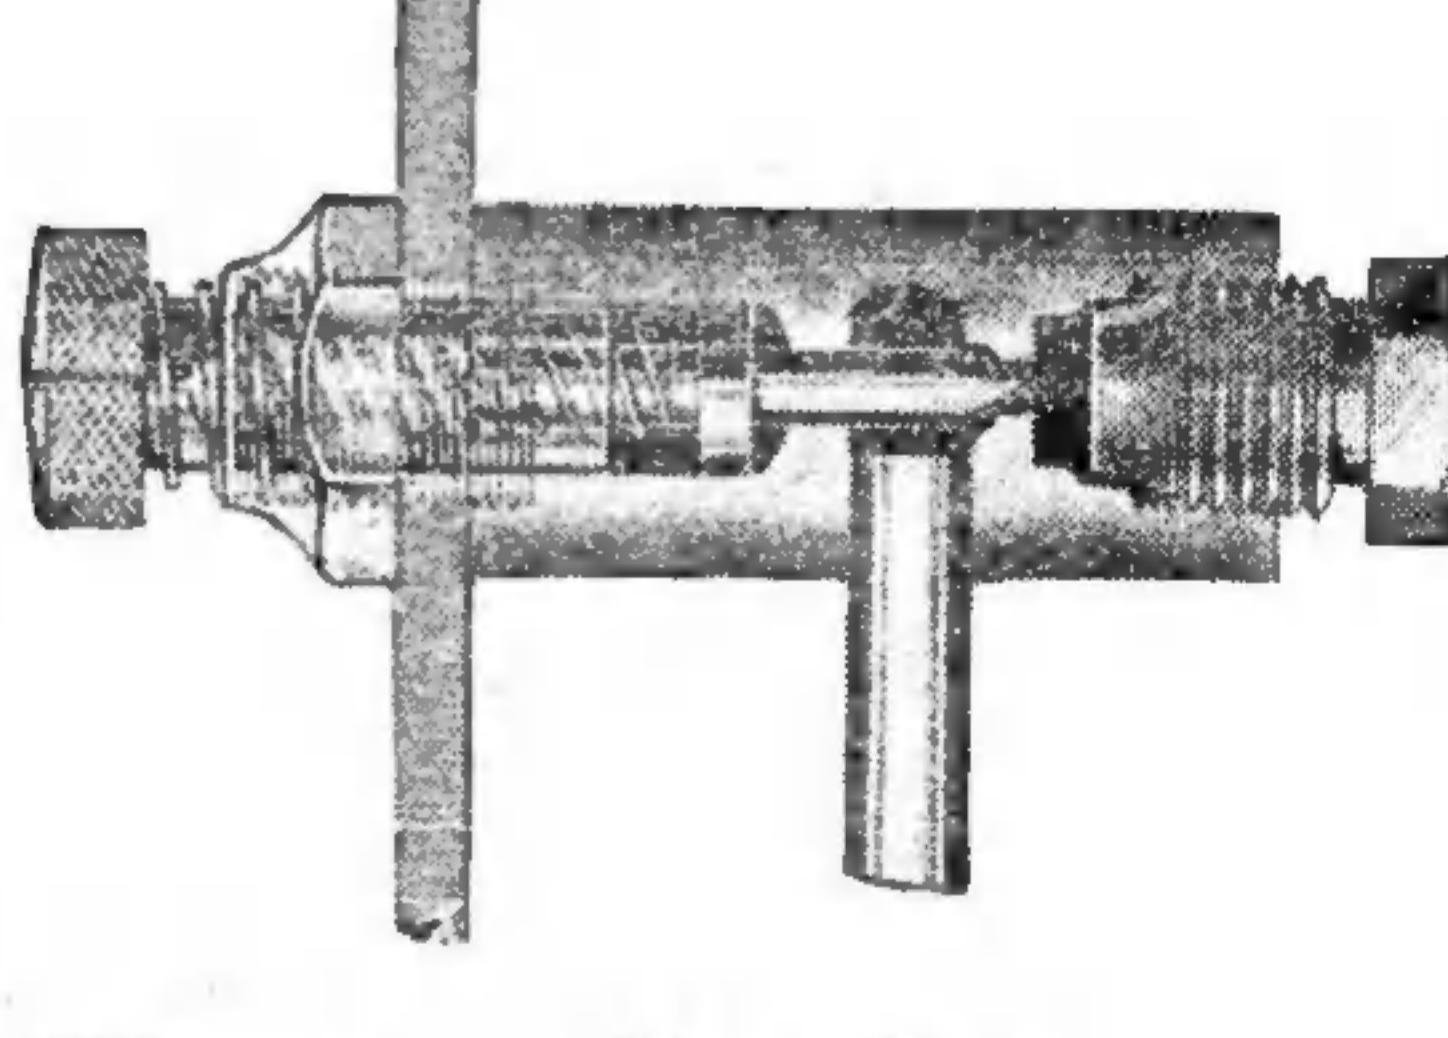

duit. It maintains an even vacuum conditions under variation of engine speeds. The automatic will exert enuf power to clear any obstruction from the glass. It is the most powerful vacuum motor built for this purpose and is guaranteed for the life of the car.
